WHAT IS A VOLKSMARCH?

A non-competitive outdoor event where a participant follows a marked trail at his/her own pace, stopping at points for a "control stamp", rest, and refreshments. Volksmarches are aimed at getting all people, regardless of age, out-of-doors to exercise non-competitively. Many senior citizens participate regularly. Many parents bring their children with them, carrying infants (or use strollers or wagons where the terrain allows). More information about volksmarching and location of events is available at www2.ava.org.
